MONESSEN MAN, ALLEGED MURDERER, EVADES THE LAW

Al Dorrin, a Monessen man, who it is leged is wanted by the police of Mans ld, Ohio, for the murder of a police- an there about thirteen years ago, has the timely arrival of family difficul- s avoided the net which it is said was ng prepared for him by the Mansfield thorities and a local constable.

Nearly thirteen years ago a policeman Mansfield was murdered and his body own on the railroad tracks to conceal crime. The murderer escaped and e that time the Mansfield authorities e been locating him, first in one state n another, but he has proven such ppery customer that they have never n successful in capturing him.

bout a month ago a local constable re ed a communication from the Chief olice at Mansfield, stating that he reasons to believe that the man ded was living in Monessen and that ffort be made to locate him. The stable got busy and it is said Dorrin soon identified as the escaped mur- r. Just as the net was closing about , trouble arose in the family. A let- rom a Jacob's Creek woman, whose e is withheld and with whom Dorrin ld to have been carrying on improper tions, fell into his wife's hands and a ce and separation followed. Dorrin town hurriedly in blissful ignorance e fact that he was being so closely ed by the authorities of the two s.

rin came to Monessen a little over years ago and has been employed at Pittsburg Steel mill. He has always a pretty good reputation and he and ife have apparently gotten along together. Whether or not Dorrin e man wanted by the Mansfield e can only be conjectured.

GAVE BANQUET AND SOCIAL.

Monessen Commandery Knights of Malta Entertained Members and Friends Last Night

The entertainment and social which was given by the Monessen Commandery Knights of Malta in Kelly's hall last evening, proved quite an enjoyable affair. About two hundred of the members their wives and friends were present. The decorations were very pretty. C. S Schrader was the presiding officer.

The program opened with a prayer by Rev. Madtes. Recitations by Miss Anna Miller and Miss Cooper followed. Mayor F. H. Shutterly and the Reverands M. M. Allbeck and J. R. Moner delivered interesting and instructive addresses. Their talks were short and to the point. An entertaining feature of the program was a quartet composed of the Messrs C. A. Light, J. K. Boyd, C. W. Stuck and Eli Wolfe. They rendered several selections in a very able manner.

The program was followed by an elaborate banquet, furnished by Caterer Stanley, covers being laid for 200 persons. The menu included all of the delicacies of the season and the feast will long be remembered by those present.

ELIZA HAWKINS IN JAIL.

Charged Witb the Larceny of Bridge Company's Coal at Wireton.

Eliza Hawkins who resides in "Bridge Row", Wireton, and who was arrested for stealing coal from the Bridge Company, was given a hearing before Squire Watkins, yesterday and held for court. She was taken to Greensburg, by Officer Kepple and placed in jail.

There was quite a demonstration when the lady (?) was ushered into the corridor of the jail. Her friends who are at present guests of the Hotel De Seanor were overjoyed on account of the arrival of Liza. For a few minutes there was a regular feminime loving match, through the bars, and colored tears streamed down over the dark cheeks, as lips were smacked, in connubial style. The great hall of the jail was silent as a tomb while a discussion of good times spent in "Bridge Row" took place.

Officer Kepple waited till all was over and left his prisoner to the tender care of Mine Host George.

REPUBLICANS WILL BE IN MONESSEN NEXT TUESDAY

The Regularly Nominated Candidates on the Republican Ticket Will Come Over and Spend a Day in This Industrial Settlement.

Next Tuesday many of the candidates nominated by the Republican party for the various county offices, will be in Monessen to spend the day meeting the voters, and becoming better acquainted with matters politically in this end of the county.

There will be no mass meetings or demonstration of any kind, but the candidates would like to meet the representative citizens of the town in an informal way. The party will be composed of County Chairman Crowell, John F. Wentling, candidate for district attorney, H M. Yont, candidate for prothonotary, John M. Hawk, candidate for clerk of courts, and probably all of the candidates for the legislature namely E. P. Weddle, Berkey H. Boyd and D. B Sullivan.

County Chairman Crowell is working hard to have a big Republican majority in Westmoreland county this fall, and every member of the party is earnestly requested to do his part in helping to obtain that majority. All the candidates are good substantial citizens and among the staunchest in the county, and are deserving of the offices to which they aspire. The party expects to visit every town in the county, between now and November 6th, in order to boom a big majority for the regularly nominated candidates.

ALL over the country people are condemning the curfew law, but in Monessen it works fine, so far.

HEARST has already spent a million in his campaign. Its a good thing for the country to keep these millions in circulation even though the other Willie wins in the race. Money makes the political mare go.

LAST winter the citizens of Monessen clamored because the gas company pumped air into its lines to make the meters run. This year people claim water is substituted for air. Water must be getting cheap.

THE people who believe that newspaper advertisiug does not pay, should learn to observe. Ask the managers of the various department stores where fall millinery openings were recently conducted what they think of the Daily as a medium through which to speak to the people. They will tell you of the crowds that visited their stores and the success of their openings. Printers ink did it and it will do as much for you.

THE children of Monessen have buckled onto a new form of amusement. The sling-shot has been resurrected and the little birds are made skidoo Not only the English sparrow falls as a prey, but song birds as well. Occasionally when there are no birds in sight, pedestrians along the streets get the contents of loaded slings. This practice should be stopped at once, especially within the city limits. There is great danger connected with it. The loss of an eye or limb might easily occur and besides the practice is often the means of injuring property by breaking windows and disfiguring buildings The police should catch a few of these boys.

If you will make inquiry it will be a a revelation to you how many succumb to kidney or bladder trouble in one form or another. If the patient is not beyond medical aid, Foley's Kidney Cure will cure It never disappoints.

The new Pure Food and Drug Law will mark it on the label of every Cough Cure containing Opium, Chloroform, or any stupifying or poisonous drug. But it passes Dr. Shoop's Cough Cure as made for 20 years, entirely free. Dr. Shoop all along has bitterly opposed the use of all opiates or narcotics. Dr. Shoop's Cough Cure is absolutely safe even for the youngest babe—and it cures, it does not simply suppress. Get a safe and reliable Cough Cure, by simply insisting on having Dr. Shoop's. Let the law be your protection. We cheerfully recommend and sell it. Sold and recommended by all dealers.

The Signs of Heart Trouble

You can Surely Secure Heart Health and Strength through Dr. Shoop's Restorative.

Heart weakness which can be dealt with at all is nerve weakness. Just as your hand trembles when its nerves are weak, when your heart nerves are weak your heart flutters and palpitates. Other signs are shortness of breath after slight exercise; fainting spells; pain or tenderness about the heart caused by irregular heart action; choking sensation as if the heart was in the throat; uneasy sensation in the chest, showing that the heart isn't working right; pain when you lie on one side—usually the left side, but frequently the right, painful and difficult breathing; smothered feeling. There is absolutely one way to treat a weak heart. That is to bring back natural and permanent strength to its nerves. Can you imagine how anything else can be done? Dr. Shoop's Restorative will bring back the strength to the heart nerves always. There is nothing in this remedy to stimulate; nothing that leads to reaction. The strength that it gives is natural and permanent. It is just the same strength as Nature gives to those who are well. Dr. Shoop's Restorative (Tablets or Liquid) creates strength which extends over the whole inside nerve system—it overcomes the cause of the trouble as well as the result. Sold by

AN OLD MAN'S TRIBUTE.

An Ohio Fruit Raiser, 78 Years Old, Cured of a Terrible Case After Ten Years of Suffering.

When suffering daily torture
From backache, rheumatic pain,
Any ill of kidneys or bladder,
Turn to Doan's Kidney Pills.
A cure endorsed by thousands.
Read an old man's tribute.

Sidney Justus, fruit dealer, of Mentor, Ohio says: "I was cured by Doan's Kidney Pills of a severe case of kidney trouble of eight or ten years' standing. I suffered the most severe backache and other pains in the region of the kidneys. These were especially severe when stooping to lift anything, and often I could hardly straighten my back. The aching was bad in the daytime, but just as bad at night, and I was always lame in the morning. I was bothered with rheumatic pains and dropsical swelling of the feet. The urinary passages were painful, and the secretions were discolored and so free that often I had to rise at night. I felt tired all day. Half a box served to relieve me, and three boxes effected a permanent cure."

SIDNEY JUSTUS.

A FREE TRIAL of this great kidney medicine which cured Mr. Justus will be mailed on application to any part of the United States. Address Foster Milburn Co, Buffalo, N. Y. Sold by all dealers; price, fifty cents per box.
